Ting Mao

tingmao0922@gmail.com | Google Scholar | GitHub | Homepage

Education

Zhejiang University Sep. 2024 – Present
Undergraduate, Robotics Engineering (Honors Program)
College of Control Science and Engineering Academic average: 85.13/100

Research Experience

Research Intern | **Kinetix AI**
Oct. 2026 – Present | working on dexterous manipulation and physical RSI

Research Intern | **ScaleLab, Shanghai Jiao Tong University**
Sep. 2025 – Oct. 2026 | Working on Dexterous Manipulation

Publications

- **OmniHOI: Dexterous Hand-Object Interaction from Monocular Human Video**
  Ting Mao, Yanming Shao, Ziheng Wang, Haoyu Liu, Yiqun Wang, Xuanye Wu, Yao Mu
  arXiv | Project Page
- **EgoMatrix: Physically Faithful Dexterous Robot Demonstrations from Egocentric Human Videos**
  Ziheng Wang, Yanming Shao, **Ting Mao**, Kaihan Chen, Yiqun Wang, Wu Xuanye, Yao Mu
  arXiv | Project Page

Competitions

IDC RoboCon – International Robot Design Competition Aug. 2025
Third Place; Best Design Award

- Competed in a multinational team formed by participants from different countries.
- Served as a core team member responsible for mechanical and electronic control design.

Chinese Mathematics Competitions (CMC) Dec. 2024
Zhejiang Division, Non-Mathematics Majors
Third Prize

Honors & Awards

First-Class Scholarship, Zhejiang University 2024–2025
Provincial Government Scholarship, Zhejiang Province 2024–2025
Outstanding Student, Zhejiang University 2024–2025
Third Place, IDC RoboCon International Robot Design Competition Aug. 2025
Best Design Award, IDC RoboCon International Robot Design Competition Aug. 2025

Leadership & Activities

President, Zhejiang University Student Robot Association Sep. 2025 – Jun. 2026
Member, Student Union Office, College of Control Science and Engineering, ZJU May 2025 – May 2026
Team member, ZJU Rowing Team Nov. 2025 – Present
